

Back to school with new locker locks

It's that time of year again and at Omega Security Solutions we have the right combination to meet your growing needs and school budget requirements. With over 45 years as a trusted supplier to our diverse client base, we can help you find the right security solution – from padlocks, master keying, access control, CCTV to alarm monitoring.

It's as easy filling in the order form and emailing it to sales@omegacorp.com.au, If you have questions, we're here to help! Visit omegacorp.com.au/lockers for more product information.

When a student forgets their combination, a key override allows entry without having to cut the lock off
